**Crafton Tull Sparks
Acquires OKC Firm**

Oklahoma City, OK – Crafton Tull Sparks has acquired Design Engineers, Inc., of Oklahoma City. The combined firm will have over 300 employees company-wide.

Crafton Tull Sparks is an architectural and engineering firm that is on Engineering News Record's list of top 500 design firms. They have also been named to ZweigWhite's Hot Firms list of fastest growing architectural, engineering and environmental firms for the last two years.

Design Engineers, Inc. was founded in 1948 and provides engineering, planning and surveying.

"This is a wonderful opportunity for our employees and our clients," said John Baker, P.E., president of Design Engineering, Inc. "We are committed to this city and our clients. Joining Crafton Tull Sparks will position us to be a bigger part of the city's growth."

"We are two client focused firms which makes it a natural fit," said Tom Hopper, president of Crafton Tull Sparks. "Oklahoma City is a dynamic city that is poised for growth."

Crafton Tull Sparks has 315 employees with offices in Conway, AR, Little Rock, AR, Oklahoma City, OK, Rogers, AR, Russellville, AR, Tulsa, OK and Wichita, KS. Founded in 1963, they provide architectural, engineering, interior design and surveying services across the nation.
