FOR IMMEDIATE RELEASE

Crafton Tull Sparks  
Ranks on Hot Firm List

Rogers, AR—(November 9, 2007)—Crafton Tull Sparks was named to ZweigWhite's 2007 Hot Firms List. The architecture and engineering firm is ranked 55 in the list of 200 fastest-growing U.S. architecture, engineering and environmental consulting firms. This annual list features the design and environmental firms that have outperformed the economy and competitors to become industry leaders. The firm was also named top three architecture/engineering firms.

"It's an honor to be ranked as one of the top firms in the nation," said president Tom Hopper. "Our company has continued to grow with excellence as our focus and we expect the same for the future."

Crafton Tull Sparks has 315 employees with offices in Birmingham, AL, Conway, AR, Little Rock, AR, Oklahoma City, OK, Rogers, AR, Russellville, AR, Tulsa, OK and Wichita, KS. They have provided architectural, engineering, interior design and surveying services across the nation since 1963. With a strong focus on providing clients with superior service, the firm was listed on Engineering News Record's Top 500 Design Firms.
