Interior Designers Win Awards at CASA Fundraiser

Tulsa, OK – (April 30, 2008) – Crafton Tull Sparks team wins “Best Presentation” and “Most Popular” awards for their Broadway themed children’s playhouse design at a fundraiser for Tulsa’s CASA (Court Appointed Special Advocates). The New York City themed playhouse was part of an IIDA (International Interior Design Association) competition among four local firms. The firm’s playhouse design included a retractable stage and the presentation board resembling a Broadway Playbill book.

Now the team is looking for a local contractor to donate their time to build the playhouse they designed. If they are successful in finding a vendor, the playhouse will be on display at Tulsa’s Woodland Hills Mall from August 1-10 and will be put up for silent auction to the public as part of CASA’s Project Playhouse Fundraiser.

Crafton Tull Sparks has 315 employees with offices in Conway, AR, Little Rock, AR, Oklahoma City, OK, Rogers, AR, Russellville, AR, Tulsa, OK and Wichita, KS. Founded in 1963, they provide architectural, engineering, interior design, landscape architecture and surveying services across the nation.
