Crafton Tull Sparks Recognizes Employee Progress

Russellville, AR – John Krentz, P.E., passed the Arkansas professional engineer exam. He has a bachelor's degree in civil engineering from the University of Arkansas and serves as project engineer in the firm's civil engineering department. John has four years of experience and is a member of the American Society of Civil Engineers and the National Society of Professional Engineers.

Ira Wimer, AIA, relocated from the firm's Rogers office to the Russellville office to serve as an architectural project manager. He has a bachelor's degree in architecture from the University of Arkansas. Ira has ten years of experience and is a member of the American Institute of Architects Arkansas chapter, National Council of Architectural Registration Boards and the United States Green Buildings Council.

Crafton Tull Sparks has over 300 employees with offices in Conway, AR, Little Rock, AR, Oklahoma City, OK, Rogers, AR, Russellville, AR, Tulsa, OK and Wichita, KS. Founded in 1963, they provide architectural, engineering, interior design, landscape architecture, planning, and surveying services across the nation.
