For Immediate Release:

Crafton Tull Sparks Opens Stillwater Office

Stillwater, OK – Crafton Tull Sparks, a full service architecture and engineering firm opened an office in Stillwater, Oklahoma. The new office is located at 205 W. 7th Avenue, Suite 104, the southwest corner of 7th and Husband Street in the Courthouse Plaza.

Chris Gray, P.E., was promoted to office manager for the Stillwater office. He has a bachelor's degree in civil engineering from Oklahoma State University. Chris is a member of the American Society of Civil Engineers and the National Society of Professional Engineers and has extensive experience on numerous land development projects in the residential, retail, hospitality, education, corporate, planning, spiritual and municipal sectors. Some representative projects and clients include the Metro College and Career Academy, Springhill Suites, Britton Commerce Park, Links at Norman, Sonoma Lake, Sunny Pointe, Lowe's, Christian Brothers Automotive, Surrey Hills Business Park, and Kingfisher First Baptist Church.

Crafton Tull Sparks is a member of the Stillwater Chamber of Commerce and Chris looks forward to being involved in the Stillwater community. The firm has worked on several Stillwater projects including the Links at Stillwater, relocation of Hester Street and Hall of Fame Street, Duck Street drainage improvements. Oklahoma State University's Boone Pickens Stadium, Gallagher-Iba Arena, Athletic Village Master Plan, and Sherman E. Smith Training Center. Having had a construction administration office in Stillwater for the past 10 years, Crafton Tull Sparks is pleased to make this investment for future presence in the Stillwater business community.

Crafton Tull Sparks has 300 employees with offices in Conway, AR, Little Rock, AR, Oklahoma City, OK, Rogers, AR, Russellville, AR, Stillwater, OK, Tulsa, OK and Wichita, KS. Founded in 1963, they provide planning, architectural, engineering, interior design, landscape architecture and surveying services across the nation.
